Planning and tournaments

The Committee and Admin team are planning for 2026. If your player(s) commitment changes for any reason, please email admin@seawolf.co.nz ASAP to minimise costs. Coaches are busy coaching, so we appreciate all changes in writing.

Tournaments

For all tournaments an expression of interest (EOI) is sent out in advance, with as much information as possible to help players make (or not make) a commitment. Any changes to these responses must be made in writing, ASAP to minimise unnecessary costs to individuals and the club.

Tournament and league fees are not included in membership or term fees. Tournament and league fees are separated due to their variable nature and cover the cost of team entry, and coaching, etc.

Water Polo NZ (WPNZ) Registrations.

To become eligible to play in any tournaments, as well as registering with Sea Wolf, you must also register with WPNZ annually (the sport's governing body) using this [Registration link](#).

Save the Date 16 November

The Committee listened to your earlier feedback around community involvement and look forward to seeing as many of you as possible at our end of year celebration.

Save the date: **Sunday, 16th November 5-7pm**

Fundraising

We are also organising a Village Press Olive Oil fundraiser, which will be ready for collection at the end of year celebration. If you sell 10 packs then \$50 will be credited back. Simply collect all your orders and payments by Thursday 23rd Oct, and then fill in this [form](#) and transfer your payment to the Sea Wolf account on the form.
